NONCOMPLIANCE SUMMARY

The probation officer believes that David Russell Myrland has violated conditions of supervision by:

Violation

Number	Nature of Noncompliance
1.	Failing to make regular monthly payments toward restitution since February 9, 2016, in violation of a special condition of supervision.

U.S. Probation Officer Action:

At the time of intake, Mr. Myrland was notified of his obligation to make regular monthly payments toward his monetary penalties and he agreed to pay \$10.00 each month. Since commencing supervised release, Mr. Myrland's payments have been sporadic. His last payment in the amount of \$45.00 was received on February 9, 2016, leaving a remaining balance of \$1,570.72. Mr. Myrland resides with several individuals in a shared house, and it appears that he is financially supported by friends and acquaintances. He is currently unemployed.

Mr. Myrland has been reminded of his financial obligation on multiple occasions, and he agreed to make a payment by the end of this month. He has been advised that paying something each month, even a small amount, reflects effort toward this obligation.

It is respectfully recommended the Court endorse the U.S. Probation Officer's actions. The offender's failing to pay toward restitution, which is cited in this report, may be alleged in a violation proceeding at a later time in the event of further noncompliance.
